An extraordinary poster session was conducted on May, 1st, 2012 on UT Campus. Twenty research posters were presented during the evening. An enthusiastic crowd consisting of SUAGM IRB representatives, UPR-SLP Program distinguished faculty, clinical supervisors, UT faculty, students, and family members enjoyed the student/researchers wonderful presentations. The program was honored with the presence of Dr. Ana Vivaldi, Dr. Albert Villanueva and Professor Gloria Vélez from the UPR-SLP Program. Quality of presentations and the variety of topics was one of the evenings most commented highlights.
